 2. The election date will be announced at least ninety (90) days prior to the election date.
 3. No PCNC business shall be conducted in conjunction with any PCNC election.
 4. Each Stakeholder shall be entitled to one (1) vote for each open position on the Board.

PCNC's Election Procedures shall conform to the current requirements of the City Clerk for conducting neighborhood council elections. If PCNC does not approve new election procedures by the City Clerk's deadline, the Clerk will use a combination of the prior PCNC Election Procedures and stipulation language approved by PCNC. If PCNC does not provide stipulation language by the Clerk's deadline, the Clerk's default stipulations will be used.
- B. First Election of the Board Conducted by the City Clerk:
1. The first election conducted by the City Clerk will be held for all twenty-one (21) seats on the Board between March and June of 2010.
 2. The election shall be conducted by the Los Angeles City Clerk.

3. Ten (10) of the twenty-one (21) members shall be elected for terms that expire in two (2) years. Eleven (11) of the twenty-one (21) members shall be elected for terms that expire in four (4) years. C. Second Election and Subsequent Biennial Elections:

1. Election Day shall be scheduled by the City Clerk between March and June of even-numbered years.
2. The second and all subsequent biennial elections shall be used to select Board members for all expiring seats and any vacant seats that have not been filled by appointment.

- B. Any person elected or appointed to fill a vacancy shall serve the remainder of the term.
- C. If the vacancy occurs within three months before the next regular election, the Board shall not fill the vacancy.
- D. Provisions of this section are subject to Board of Neighborhood Commissioners policies, including but not limited to the "Department of Neighborhood Empowerment Remedy for Loss of Quorum by Neighborhood Councils Due to Vacancies and Authority to Fill Vacancies" policy of October 27, 2005. Where there is a conflict between those policies and these bylaws, the Board of Neighborhood Commissioners policies will apply.*

* **Plain words interpretation, NOT a part of the adopted bylaws:** If the Board is

repeatedly unable to gather a quorum because of vacant seats or chronically absent members, the BONC policy is that, regardless of the provisions of these bylaws, the Department of Neighborhood Empowerment may allow the remaining active members to appoint replacements for the vacant seats (including the seats of members with two consecutive unexcused absences), as long as there are six or more active Board members.

Section 7. Removal of Board Member or Alternate:

A. Removal By Stakeholders

A Board member or Alternate may be removed, subject to the provisions of Subsection C below, by the submission of a written petition, in a form specified by the Board, which:

1. identifies the Board member or Alternate to be removed,
2. describes in detail the reason for removal,
3. includes the signatures of at least fifty (50) Stakeholders.

B. Removal By Absences:

A Board member or Alternate may be removed upon two (2) consecutive absences of regularly scheduled meetings of the Board or upon three (3) absences within a six (6) month period, unless excused by the PCNC Chair, which excuses shall not be unreasonably withheld.

C. In case of either A. or B. above, the Secretary shall have the matter placed on the agenda for a vote of the Board at the next regular meeting of the Board.

1. A vote to remove by a majority of the Board members or their Alternates present and voting shall remove the identified Board member or Alternate forthwith.
2. The Board member who is the subject of the removal action shall not take part in the vote on this matter, but will be allowed to address the Board prior to the vote.

If there is not a quorum present, or if there are not at least ten (10) Board members or Alternates present and eligible to vote, the matter shall be placed on the agenda for the next regular Board meeting and every meeting thereafter until such time as a vote is taken.

Section 8. Alternates

Up to five candidates who did not gain a seat in the last election shall be eligible to be seated as voting Alternates for any Board members who are not present at any meeting of the Board. If an Alternate position becomes vacant, it may be filled by appointment. Alternates shall count in determining a quorum. Alternates will be ranked and seated in

the order of their vote totals at the last election, with ties decided by lot (or, if appointed to a vacancy, in the order of their appointment, following any alternates designated at the last election). Not more than 21 voting members will be allowed at any meeting. If a formerly absent Board member later joins the meeting, and his or her presence would make the voting group greater than 21, the lowest-ranked Alternate who may be present shall no longer be eligible to vote, so that voting members do not exceed 21.
