The city is a covered entity under Title II of the Americans with Disabilities Act. Please be respectful of others, even when you differ with them. *Postal address, telephone, email on agenda are for Board Member Tony Wilkinson

- 7:18 5. **Consideration and possible action on the proposal of City Council President Nury Martinez (our Council District 6 representative) for a ballot measure regarding community plans.** This could be helpful or it could become influenced by the same corporate building forces that are affecting the discussion about housing in Sacramento (see item below). Here is an independent view from a respected former city planner, Dick Platkin. [12m]

- 7:30 6. **Consideration and possible action on possible land locations for community and demonstration gardens and ways in which this committee can assist in this Neighborhood Council initiative.** Includes consideration of site types and locations, methods of obtaining public access, and possible partners for the initiative. - 7:35 7. **Consideration and possible action on the new requirement of the Board of Neighborhood Commissioners that members of Land Use committees must take a basic "Planning 101" course, live or recorded.** Online courses are available in the City Planning website: <https://planning.lacity.org/planning-101-series> Additional options and details will be presented and discussed at the meeting. [5m]
- 7:40 8. **Consideration and possible action on the THIRD YEAR that state housing bills by Senator Scott Wiener threatens to remove local control over housing and destroy areas of single-family homes.** [15m]

-- **SB 1120 is BACK as SB 9:** It is NOT a duplex bill. It will allow 6 to 8 units where 1 home stands now. Not a duplex where 1 home stands now, as many media reported, nor two duplexes as some reported, with no garage or yard. As Assemblymember Adrin Nazarian (D-Van Nuys) testified against SB 1120 on Aug. 31, 10,000 homes in San Fernando Valley are now owned by rental corporations. SB 9 would open the floodgates.

-- **SB 902 is BACK as SB 10: It allows 10-unit apartments everywhere. It is also a direct attack on California voters' right to the initiative, letting any city council undo voter-approved ballot measures that protect open land, shorelines and other things Scott Wiener wants to pave over.**

7:55 9. Adjournment

Council Process: The council gained its official city role upon certification by the Board of Neighborhood Commissioners on March 15, 2007. Everyone who lives, works or owns real property within the boundaries of the Panorama City Neighborhood Council, or who declares a Community Interest in the area and the basis for it, is a "stakeholder". All stakeholders are members of the Council. Stakeholders elect a Board of Directors to represent them. This Board is recognized as the decision-making entity by the City of Los Angeles. The current Board was elected on April 27, 2019. The next election is planned for April 24, 2021. While the Board is the official decision-making entity, meetings are conducted as much as possible in a town hall spirit. Committees are open to anyone with an interest in Panorama City. Panorama City's neighborhood council is much more than its Board, and it depends on public participation for its success.

Posting Sites: California's open meetings law, the Ralph M. Brown Act, requires that meeting notices be physically posted at a regular location 72 hours in advance for regular meetings and 24 hours in advance for special meetings. The location must be accessible to the public seven days a week, 24 hours a day. That location is the outside steel doors of the Plaza Del Valle Community Room, Building G, 8700 Van Nuys Boulevard, Panorama City, CA 91402. This council is also required to follow the City of Los Angeles posting policy for Neighborhood Councils. That policy additionally requires that councils post agendas through the city's Early Notification System (ENS), post the agendas on the council's website (if one exists), and make an effort to send agendas by electronic mail (if such a list exists). This council posts agendas on its website, panoramacitync.org. This council uses the city's ENS mailing list as its

agenda email list. You may sign up for the ENS agenda system at:
<http://lacity.org/government/Subscriptions/NeighborhoodCouncils/index.htm>

In addition to the Plaza Del Valle posting location, this council MAY post agendas at other locations within Panorama City. These may include: (1) Panorama City Branch Library, 14345 Roscoe Boulevard; (2) Panorama Recreation Center, 8600 Hazeltine Avenue; (3) Sepulveda Recreation Center, 8801 Kester Avenue; and (4) Casa Esperanza, 14705 Blythe Street. In addition to the ENS agenda list, this council MAY include agendas in its occasional informational emails. You can subscribe to the council's informational email list by sending your request to 'info@panoramacitync.org'. You can also sign up on the council's website. In order to respect our stakeholders' inboxes, messages to the informational email list will be sent at most once or twice a month. *The only way to assure that you will receive emailed agendas is through the ENS list.*

Americans with Disabilities Act (ADA): As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request, will provide reasonable accommodation to ensure equal access to its programs, services, and activities. Sign language interpreters, assistive listening devices, or other auxiliary aids and/or services may be provided upon request. To ensure availability of services, please make your request at least 3 business days prior to the meeting you wish to attend by contacting the Panorama City Neighborhood Council Land Use Chair at least three business days in advance (818-212-5384).

Agenda-related written materials: The council may occasionally prepare supplementary information to the agenda ("agenda packets"). When this is done, the agenda packets are normally made available both to Board or committee members and to the general public at the start of the posted meeting. In compliance with Government Code section 54957.5, non-exempt writings that are distributed to a majority or all of the Board or committee *in advance of a meeting* may be viewed by appointment at the Panorama City Neighborhood Council office, 14500 Roscoe Boulevard, Suite 400, Panorama City, CA 91401, (818-714-2133) during normal business hours, or at the scheduled meeting. In addition, if you would like a copy of any record related to an item on the agenda, please contact Cheryl Compton, PCNC - Secretary, 14500 Roscoe Boulevard, Suite 400, Panorama City, CA 91402 (ComptonPNCN@gmail.com).

Please note that the public is welcome to join in the video and text chat at this online meeting. Public comment may be made in the online meeting when public comment is called for by the chair. The meeting may be recorded.

The City of Los Angeles has required that the following statements be included in every Neighborhood Council agenda for online meetings, which they refer to as "virtual meetings". (We prefer the term online meetings. These are 'real' and official meetings. They are hosted electronically, as currently permitted by the state open meetings rules.)

VIRTUAL MEETING TELECONFERENCING NUMBER FOR PUBLIC PARTICIPATION

In conformity with the Governor's Executive Order N-29-20 (MARCH 17, 2020) and due to concerns over COVID-19, the Panorama City Neighborhood Council meeting will be conducted entirely telephonically.

Every person wishing to address the Neighborhood Council must dial **+1 (786) 535-3211** and enter **424-225-589** and then press **#** to join the meeting. If a password is requested, enter **[none required]**. Instructions on how to sign up for public comment will be given to listeners at the start of the meeting.
