7:10 7. Discussion and possible action to appoint any interested qualified stakeholders to any appropriate vacant board seats. (5 min)

Candidates must present documents to the Secretary that prove their identity and a "stake" in the Neighborhood Council, as required by each seat. Examples: a Driver's License, Consular Card or Student ID will prove identity. A Driver's License with a current address will also prove that a person lives within the council boundaries. However, the district seats are specific to either "homeowner" or "renter". For this reason, homeowners must present a recent mortgage statement or a tax bill, and renters must present a recent rent receipt or a lease. Business seats require a business card with a local address, a Business Tax Registration Certificate, or some other indication that the person works (including volunteer work) or operates a business within the council boundaries. Community Interest stakeholders (for an Unlimited At-Large seat) must provide a document that proves a substantial and ongoing interest within the boundaries, which is often evidenced by membership in a local organization. (No Unlimited At-Large seat is open at this time. However, Community Interest stakeholders can be appointed to either of the vacant Alternate positions.) Signed letters from responsible parties can also be provided. The Secretary will determine the adequacy of the candidate's documentation. No actual documents will be kept and interested stakeholders are only required to show the document for verification.

Youth Representatives to the Board has been specified in the council's bylaws until it was inadvertently omitted by the Department of Neighborhood empowerment when the Department reorganized the existing bylaws to fit a new standard Table of Contents. The council has continued to appoint at least one Youth Representative for a one-year term. Although this position is currently filled, the Board could decide to add another Youth Representative. A Youth Representative is a voting seat. This is a position that allows youth to express opinions on council issues.

7:15 8. Notation and possible correction (through documentation) of the list of Board members who may not vote on matters (financial or otherwise) because they have not completed the required training. DONE requires two classes to vote: (1) the Ethics and Open Government course required by state law for all public officials in California within two years of their election or appointment and every two years thereafter – required to vote on any matter, and (2) basic funding training for neighborhood council Board members to vote on financial matters. DONE also requires all Board members to have signed they have received a copy of the Code of Conduct. While not required to vote any Board member who does not sign the acknowledgment of receipt will be removed from the Board by DONE. All three of these requirements can be met with online courses available at EmpowerLA.org (5 min)

7:20 9. Special Guest: Carlos Hernandez, from LADOT (Los Angeles Dept. of Transportation) will be providing an update on the Vision Zero project. One of the six streets selected for the initial program is Roscoe Boulevard from Woodman Avenue to the 405 Freeway. The project started in June 2018; construction will be continuous in sections/phases until completion in July 2019. The project will improve the streets and sidewalks while installing green infrastructure, enhancing and increasing public safety along Roscoe Blvd. [15 min]

Council Process: The council gained its official city role upon certification by the Board of Neighborhood Commissioners on March 15, 2007. Everyone who lives, works or owns real property within the boundaries of the Panorama City Neighborhood Council, or who declares a Community Interest in the area and the basis for it, is a "stakeholder". All stakeholders are members of the Council. Stakeholders elect a Board of Directors to represent them. This Board is recognized as the decision-making entity by the City of Los Angeles. The current Board was elected on April 2, 2016. While the Board is the official decision-making entity, meetings are conducted as much as possible in a town hall spirit. Committees are open to anyone with an interest in Panorama City. Panorama City's neighborhood council is much more than its Board, and it depends on public participation for its success.

Posting Sites: California's open meetings law, the Ralph M. Brown Act, requires that meeting notices be physically posted at a regular location 72 hours in advance for regular meetings and 24 hours in advance for special meetings. The location must be accessible to the public seven days a week, 24 hours a day. That location is the outside steel doors of the Plaza Del Valle Community Room, Building G, 8700 Van Nuys Boulevard, Panorama City, CA 91402. This council is also required to follow the City of Los Angeles posting policy for Neighborhood Councils. That policy additionally requires that councils post agendas through the city's Early Notification System (ENS), post the agendas on the council's website (if one exists), and make an effort to send agendas by electronic mail (if such a list exists). This council posts agendas on its website, panoramacitync.org. This council uses the city's ENS mailing list as its agenda email list. You may sign up for the ENS agenda system at: <http://lacity.org/government/Subscriptions/NeighborhoodCouncils/index.htm>.

In addition to the Plaza Del Valle posting location, this council MAY post agendas at other locations within Panorama City. These may include: (1) Panorama City Branch Library, 14345 Roscoe Boulevard; (2) Panorama Recreation Center, 8600 Hazeltine Avenue; (3) Sepulveda Recreation Center, 8801 Kester Avenue; and (4) Casa Esperanza, 14705 Blythe Street.

In addition to the ENS agenda list, this council MAY include agendas in its occasional informational emails. You can subscribe to the council's informational email list by sending your request to 'info@panoramacitync.org'. You can also sign up on the council's website. In order to respect our stakeholders' inboxes, messages to the informational email list will be sent at most once or twice a month. *The only way to assure that you will receive emailed agendas is through the ENS list.*

Americans with Disabilities Act (ADA): As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request, will provide reasonable accommodation to ensure equal access to its programs, services, and activities. Sign language interpreters, assistive listening devices, or other auxiliary aids and/or services may be provided upon request. To ensure availability of services, please make your request at least 5 business days prior to the meeting you wish to attend by contacting the city's Department of Neighborhood Empowerment (213-978-1551).

Agenda-related written materials: The council may occasionally prepare supplementary information to the agenda ("agenda packets"). When this is done, the agenda packets are normally made available both to Board or committee members and to the general public at the start of the posted meeting. In compliance with Government Code section 54957.5, non-exempt writings that are distributed to a majority or all of the Board or committee *in advance of a meeting* may be viewed by appointment at the Panorama City Neighborhood Council office, 14500 Roscoe Boulevard, Suite 400, Panorama City, CA 91401, (818-714-2133) during normal business hours, or at the scheduled meeting. In addition, if you would like a copy of any record related to an item on the agenda, please contact Cheryl Compton, PCNC - Secretary, 14500 Roscoe Boulevard, Suite 400, Panorama City, CA 91402 (comptonPCNC@gmail.org).
