Examples of Community Organizations may include Chambers of Commerce, houses of worship or other faith-based organizations, educational institutions, or non-profit organizations.

## ARTICLE V GOVERNING BOARD

**Section 1: Composition** – The Board of Directors (“Board”) shall have twenty-one (21) members, according to the following composition:

- A. Five (5) seats shall be reserved for North, Center-West, Center-East, Southwest and Southeast Homeowners.
- B. Five (5) seats shall be reserved for North, Center-West, Center-East, Southwest and Southeast Renters.

These seats will be referred to as the Unlimited At-Large seats. At least one of these seats shall be available at every election.
- F. Up to five (5) Alternate positions can be seated after an election as voting Alternates for any Board members who are not present at any meeting of the Board. Alternates are ranked 1 to 5 and filled in the order of the candidates’ vote totals or tie-breakers. If an alternate position becomes vacant, it may be filled by appointment of a majority vote by the Board.
- G. The Board may also appoint as many Youth Advisors as deemed appropriate. The Youth Advisors are not members of the Board, and will not count toward quorum. However, Youth Advisor votes may be tallied and recorded in the Board minutes for any non-financial agenda items.

Not more than twenty-one (21) voting members will be allowed at any meeting. If a formerly absent Board member later joins the meeting, and his or her presence would make the voting group greater than twenty-one (21), the lowest-ranked Alternate who may be present shall no longer be eligible to vote, so that voting members do not exceed twenty-one (21).

**Section 3: Official Actions** – All decisions shall be made by simple majority of those present and voting, not including abstentions.

**Section 4: Terms** – The intent of the Board is to establish a staggered election system where approximately half of the Board is elected at each City conducted election. No individual member of the Board shall speak for the Board or otherwise publicly represent a Board position unless authorized to do so by official action of the Board. The Board may, by official action, delegate to any individual the authority to present before any public body a standing Council position previously adopted by the Board or a statement that the Council has had insufficient time to develop a position or recommendation on a matter before that body. Such authority may be revoked at any time by the Board.

Dissolution – The PCNC may be dissolved by at least a three-fourths (3/4) vote of the seated Board members at any regular Board meeting, provided that notice per Article VIII has been made. Dissolution shall be in accordance with the decertification procedures established by the Department.

monies owed for purposes previously approved by the Board. All City assets shall be returned to the City.

- D. Any person elected or appointed to fill a vacancy shall serve the remainder of the term.
- E. If the vacancy occurs within three (3) months before the next regular election, the Board shall not fill the vacancy.

Provisions of this section are subject to Board of Neighborhood Commissioners policies, including but not limited to the “Department of Neighborhood Empowerment (“Department”) Remedy for Loss of Quorum by Neighborhood Councils Due to Vacancies and Authority to Fill Vacancies” policy of October 27, 2005. Where there is a conflict between those policies and these Bylaws, the Board of Neighborhood Commissioners policies will apply.

## **Section 7: Absences**

The Board considers that the basic duty of all Board members and Alternates is to regularly attend Board meetings. This is to ensure all Board members and Alternates are fully informed about the Board’s actions and the concerns of the Board’s Stakeholders. Thus, the Board believes a strong enforcement of its Bylaws Absences rules are vital to a functional Board.

### Allowed Absences

A Board member or Alternate may be removed upon two (2) consecutive absences, excused or unexcused, of regularly scheduled meetings of the Board or upon three (3) unexcused absences within a rolling six (6) month period, or upon three (3) absences, excused or unexcused, within a rolling twelve (12) month period.

### Definitions of Excused and Unexcused Absences

- A. An excused absence must be requested in writing via email to both the Chair and Secretary of the Board no less than 24 hours prior to the Board meeting.
- B. Regardless of circumstances, an unexcused absence is the failure to notify the Chair and Secretary of such absence less than 24 hours prior to the Board meeting.

The Chair or Secretary shall contact (via phone or email) the Board member or Alternate who qualifies for removal at least 24 hours prior to the Board meeting. Secretary shall have the matter placed on the agenda for a vote of the Board at the next regular meeting of the Board.

### Removal Proceedings

- A. A vote to remove by a majority of the Board members or their Alternates present and voting shall remove the identified Board member or Alternate forthwith.
- B. The Board member who is the subject of the removal action shall not take part in the vote on this matter, but will be allowed to address the Board prior to the vote.
- C. If there is not a quorum present or if there are not at least ten (10) Board members or Alternates present and eligible to vote, the matter shall be placed on the agenda for the next regular Board meeting and every meeting thereafter until a vote is taken.

**Section 8: Censure** – The purpose of the censure process is to place a Board member on notice of misconduct and to provide the Board member with an opportunity to correct the misconduct. The Neighborhood Council (“Neighborhood Council”) may censure any Board member at a regular or special meeting open to the public following a good-faith determination by the Neighborhood Council Board that the member has engaged in conduct that is contrary to rules and regulations applicable to the Board or that impedes the orderly business of Board operations. Grounds for censure include, but are not limited to, persistent disruptive conduct at meetings, violations or abuses of the Board’s bylaws or rules, violations of the Code of Conduct, acting on behalf of the Board without authorization, and misuse or abuse of the censure or removal process by acting in bad faith.

The Board shall use the following procedure when censuring a Board member:

1. A motion to censure a Board member may be initiated by any three (3) Board members. Those Board members shall not constitute a majority of the quorum of any Neighborhood Council body, such as a committee. The motion shall be delivered to any officer of the Board or a specific officer or member of the Board as may be specified in the bylaws or standing rules of the Neighborhood Council. The motion shall be in writing and provide the specific facts and grounds for the proposed censure including the date(s) and specific conduct relied upon for the motion. The motion shall not be based upon conclusions, e.g., “for alleged violations of the Code of Conduct” but shall contain factual statements that describe conduct only and is not intended to embarrass or humiliate the board member.

2. The Board member, group of Board members or committee responsible for setting the final Board agenda shall include the motion on the agenda of the next regular or special Board meeting scheduled at least thirty (30) days following the delivery of the proposed censure motion.

3. The Board member subject to censure shall be given a minimum of thirty (30) days prior-written notice, which may include email sent to the last email address on file with the Neighborhood Council, of any meeting at which the motion to censure will be considered. The notice shall provide the specific facts and grounds for the proposed censure as specified in 1 above. The Board shall also provide a copy of the notice to the Department of Neighborhood Empowerment a minimum of thirty (30) days prior to the meeting at which the motion to censure will be considered.

4. The Board member subject to censure shall be given a reasonable opportunity to be heard at the meeting, either orally or in writing, prior to the Board's vote on a motion of censure.

5. The Board shall decide by a majority vote of those present and voting whether or not the Board member should be censured. The Board member who is the subject of the censure motion shall not be counted as part of the majority present and voting and shall not be allowed to vote. For the purpose of censure motions, abstentions shall not be counted as votes.

6. In no event shall a motion to censure a board member be heard by the Neighborhood Council within sixty (60) days of the next scheduled Board election or selection.

**Section 9: Removal** – Any Board member may be removed by the Neighborhood Council (“Neighborhood Council”) for cause, following a good faith determination by the Board that the member has engaged in conduct that is contrary to rules and regulations applicable to the Board or that impedes the orderly business of Board operations. A Board member shall not be subject to removal under this Policy, unless the member has been censured at least once pursuant to the Board of Neighborhood Commissioners’ (“Commission”) Censure Policy. Grounds for removal include, but are not limited to, persistent disruptive conduct at meetings, violations or abuses of the Board’s bylaws or standing rules, violations of the Code of Conduct, acting on behalf of the Board without authorization, and misuse or abuse of the censure or removal processes by acting in bad faith.

The Board shall use the following procedure when removing a Board member:

1. A motion to remove a Board member may be initiated by any three (3) Board members. Those Board members shall not constitute a majority of the quorum of any Neighborhood Council body, such as a committee. The proposed motion shall be delivered to any officer of the Board or a specific officer or member of the Board as may

be specified in the bylaws or standing rules of the Neighborhood Council. The motion shall be in writing and provide the specific facts and grounds for the proposed removal action including the date(s) and specific conduct relied upon for the motion. The motion shall not be based upon conclusions, e.g., “for alleged violations of the Code of Conduct” but shall contain factual statements that describes conduct only and is not intended to embarrass or humiliate the board member. The motion to remove shall also include a copy of the prior censure motion and the date it was passed.

2. The Board member, group of Board members or committee responsible for setting the final Board agenda shall list and briefly describe the motion on the agenda of the next regular or special Board meeting scheduled at least thirty(30) days following the delivery of the proposed removal motion.

3. The Board member subject to removal shall be given a minimum of thirty (30) days prior written notice, which may include email sent to the last email address on file with the Neighborhood Council, of any meeting at which a motion to remove will be heard. The notice shall provide the specific facts and grounds for the proposed removal as specified in 1 above. The Board shall also provide a copy of the notice to the Department of Neighborhood Empowerment a minimum of thirty (30) days prior to any meeting at which a motion to censure will be considered.

4. The Board member subject to removal shall be given reasonable time to be heard at the meeting, either orally or in writing, prior to the Board’s vote on a motion for removal.

5. The Board shall decide whether or not the Board member should be removed by an affirmative vote of two-thirds (2/3) of the currently sitting Board members. The Board member who is the subject of the removal motion shall not be allowed to vote and shall not be counted when determining the two-thirds (2/3) majority vote. For the purpose of the removal motion, abstentions shall not be counted as votes.

6. In no event shall a motion to remove a Board member be heard by the Neighborhood Council within sixty (60) days of the next election or selection.

7. The Commission may review a Neighborhood Council’s removal decision if requested to do so by the affected Board member. Once the request is made for the Commission to review the decision to remove, the Neighborhood Council voting to remove the board member may not fill the vacancy created by the removal until the Commission has made a decision on whether the removal was proper or the Commission declines to review the matter. The Commission’s decision whether to hear or decline to hear the removal review request shall be sent in writing to the requestor and the Neighborhood Council within 30 days after the request for review is delivered.

8. A request for the Commission to review a Neighborhood Council’s removal decision shall proceed as follows:

a. The request must in writing and must be delivered to the Executive Assistant of the Commission or, in the absence of an Executive Assistant, to the President of the Commission within thirty (30) days of the date of the action by the Neighborhood Council to remove the Board member.

b. The request must state the basis for the review. The request shall not cite or present any evidence not considered by the Neighborhood Council but must address only procedural deficiencies.

c. If the Commission determines the request for review raises sufficient questions regarding procedural deficiencies and agrees to hear the review, it will be placed on the agenda of a regular or special meeting of the Commission within sixty (60) days of receipt of the request for review.

d. At the review the Commission will determine if the facts as presented support the removal motion and if the procedures set out in this policy were correctly applied.

e. If the Commission determines that there were either factual or procedural deficiencies, the Commission may either reinstate the Board member or return the matter to the Neighborhood Council for further consideration.

f. If the Commission returns the matter for further consideration and the Neighborhood Council does not act within sixty (60) days of the Commission's decision the Board member will be considered reinstated.

g. During the period of appeal the Board member shall not be counted as part of the Board for any quorum and shall not participate in any Board actions.

h. If the matter is returned to the Neighborhood Council for further consideration the Board member shall not be counted as part of the Board for any quorum and shall not participate in any Board actions until the Board takes action as requested by the Commission or until the expiration of the sixty (60) day time period.

9. This policy is not intended to restrict or eliminate a Neighborhood Council's ability to remove or render ineligible to serve, Board members who fail to attend meetings, join committees, maintain their stakeholder status, or perform other duties as may be described in the Neighborhood Council's bylaws and/or standing rules. Nor is it intended to limit a Neighborhood Council's ability to remove committee chairs or committee members according to the Neighborhood Council's bylaws and/or standing rules.
