- 5. Discussion and possible action to appoint any interested qualified stakeholders to any appropriate vacant board seats including Youth Representatives.**

- Candidates must present documents to the Executive Committee that prove their identity and a "stake" in the Neighborhood Council, as required by each seat.
- **Examples:** Driver's License, Consular Card or Student ID will prove identity. A Driver's License with a current address will also prove that a person lives within the council boundaries.
- District seats are specific to either "homeowner" or "renter". For this reason, homeowners must present a recent mortgage statement or a tax bill, and renters must present a recent rent receipt or a lease. Business seats require a business card with a local address, a Business Tax Registration Certificate, or some other indication that the person works (including volunteer work) or operates a business within the council boundaries.
- Community Interest stakeholders (for an Unlimited At-Large seat) must provide a document that proves a substantial and ongoing interest within the boundaries, which is often evidenced by membership in a local organization. However, Community Interest stakeholders can be appointed to either of the vacant Alternate positions.) Signed letters from responsible parties can also be provided. The Secretary will determine the adequacy of the candidate's documentation.
- **No actual documents will be kept and interested stakeholders are only required to show the document for verification.**
- The council may appoint one or more Youth Representative(s) for a one-year term. A Youth Representative is not part of the voting Board. This is a position that allows youth to express opinions on council issues.

Everyone who lives, works or owns real property within the boundaries of the Panorama City Neighborhood Council, or who declares a Community Interest in the area and the basis for it, is a "stakeholder". All stakeholders are members of the Council. Stakeholders elect a Board of Directors to represent them. This Board is recognized as the decision-making entity by the City of Los Angeles. The current Board was elected on April 20, 2021. While the Board is the official decision-making entity, meetings are conducted as much as possible in a town hall spirit. Committees are open to anyone with an interest in Panorama City. Panorama City's neighborhood council is much more than its Board, and it depends on public participation for its

Posting Sites: California's open meetings law, the Ralph M. Brown Act, requires that meeting notices be physically posted at a regular location 72 hours in advance for regular meetings and 24 hours in advance for special meetings. This council posts agendas on its website, panoramacitync.org. This council uses the city's ENS mailing list as its agenda email list. You may sign up for the ENS agenda system at: <http://lacity.org/government/Subscriptions/NeighborhoodCouncils/index.htm>.

In order to respect our stakeholders' inboxes, messages to the informational email list will be sent at most once or twice a month. *The only way to assure that you will receive emailed agendas is through the ENS list.*
